

# Afternoon Tea

Meg's Kitchen launched in 2020, delivering Afternoon Tea for people to enjoy in the comfort of their own home.

Our real passion is all things sweet and so we're delighted to offer a selection of mouth-watering sandwiches, scones, and cakes here at Bakery Lane.

Everything is made fresh to order so we do require 48 hours notice. If you would like to book a table, please do contact us, or speak to a member of the team.
